FOR IMMEDIATE RELEASE

Cliffhanger Books' newest anthology, *GODS OF JUSTICE*[™], features exciting new adventures with original superheroes

Dallas, TX—(August 01, 2011) Cliffhanger Books announced the release of its newest anthology, *GODS OF JUSTICE*. Like mythical gods of the past, superheroes are a primal force of nature. According to the publisher, this thrilling collection of ten original short stories features brand new heroes in action-packed adventures that will grip you and never let go. Each is written by some of the most talented male and female writers today, including DC Comics writer Ricardo Sanchez and *Star Trek* author Dayton Ward.

Kevin Hosey, Senior Project Editor for Cliffhanger, explained that the company created the collection of prose stories to give writers the opportunity to introduce new, original superheroes to fans of the genre.

“Characters like Batman, Spider-Man and Superman are well known,” said Mr. Hosey. “But we discovered there are writers out there with innovative ideas and heroic new male and female characters that are just as exciting. We published *GODS OF JUSTICE* so they could reveal their heart-pounding adventures to the rest of the world. Yet it’s not just for superhero fans. We feel every type of reader will find stories and characters they will truly enjoy.”

GODS OF JUSTICE is edited by Kevin Hosey and K. Stoddard Hayes, and includes the following stories:

- “The Mass Grave of John Johnsons” by Micah Urban: The discovery of several bodies prompts a doctor to call in a *super* forensics team that is stranger than the mystery itself.
- “Daughter of Nyx” by Kelly Wisdom: In a dystopian future, Veronica hides a unique ability. Then she is attacked and must make a choice—remain in hiding or rise up and fight.
- “Going My Own Way” by Dayton Ward: Young Daniel chooses not to follow in the footsteps of his superhero father. That is a decision that may ultimately cost him his life.
- “Identity Crisis” by Lisa Gail Green: After Leslie takes the place of her twin sister, the hero SolarFlare, she discovers it’ll take more than a costume to save the city from a mad man.
- “Blunt Force Trauma” by Kevin Hosey: When crimefighter, PsyKore, comes out of retirement to find a savage killer, what he ultimately uncovers shatters his entire world.
- “Neutral Ground” by Jordan Taylor: A World War I British corporal vows to discover the truth about the rumors of a mysterious man saving wounded soldiers on the battlefield.
- “Breaking The Circle” by Derek Tyler Attico: When her superhero husband vanishes, Kendra resolves to discover his fate. Yet her search may lead her to the very edge of her own sanity.
- “The Dodge” by K. Stoddard Hayes: Sheriff Wilder owes his fearless reputation to a secret power. But when he and his brother are ambushed, his secret threatens to get them both killed.
- “The Justice Blues” by Carla Lee Suson: As the wife of a beloved superhero, Angelica has the perfect life. Then she learns of an evil secret that threatens her marriage—and her life.
