Edited by Kevin Hosey and Evelyn Welle

Paramour: a lover. Paramortal: a supernatural being. Together, they become **PARAMOURTAL**, a collection of powerful paranormal romance stories. Suspenseful, heartwarming and scary as hell, they'll grip your heart and haunt you for days. **PARAMOURTAL** includes these ten exciting stories:

A Touch of Sand by Nicole Brugger-Dethmers. The Sandman is forbidden to love humans. Then he gazes upon the enchanting face of Angeline and wonders why she stirs his cold heart.

Dark Legacy by Elizabeth Ireland. As a teen, Katherine was saved by a mysterious lake spirit. Now she returns to that lake to face a dark family pact that may end her life.

The Fisherman's Wife by K. Stoddard Hayes. In an Irish fishing village, Sean has the perfect life with his loving wife, Muireen. But then she discovers a very dark secret he's hidden for years.

The Prince and the Spoon by Kelly Wisdom. Walking in the park, Summer is attacked by strange fairy tale creatures who seem to know her. And then things really get weird.

The Flower of Hell by Noree Cospser. When Gabriella, a demon hunter, meets the very handsome Dimitri, it rekindles long forgotten desires. But those desires may get them killed.

His Familiar Touch by L.K. Below. Unable to shift into her natural cougar form, Rikkita seeks the help of Derek, a mystifying man who may have the cure—but for a price.

Of Fate and Fire by Rebecca Rhielle. As a child, Eleia lost her family and village to savage marauders. Now, she falls in love with a beguiling stranger whose past is even darker than hers.

Sympathy From The Devil by M.C. DeMarco. While protecting a soul from temptation, angel Ariel faces Forcas, a charming demon. And she soon learns her own soul may be at stake.

The Underlying Beat by Evelyn Welle. After meeting the reclusive music composer Lee, Megan soon encounters mystifying forces that test both her sanity—and her heart.
